Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Wednesday 15 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry and mostly cloudy on Thursday.

This Evening and Tonight:
Any light rain over northern areas will clear away north during the evening as clearer skies extend from the south. Perhaps the odd fog patch and touch of frost developing in places. Minimum temperature 3 deg C (37 deg F).

Thursday:
A dry day. Some sunshine for some in the morning but a trend to increasingly overcast cloud spreading up from the southwest. Light southerly winds. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
A settled, generally dry spell of weather, though with a good deal of cloud and only limited clear or sunny intervals. Staying mild, though less so with time.
